Bus & Train

Bus from New York - New Jersey Transit bus #112 Take from Port Authority to the corner of North Avenue and North Board Street in Elizabeth. Trip takes about 35 minutes.

Call for schedule: NJ Transit Information: from NJ 1 (800) 772-2222; from out of NJ 1 (973-762-5100 Port Authority Information -1 (212) 564-8484

Your stop is one of the first in the Elizabeth residential area. The stop is on the corner immediately after the bus turns left off North Ave onto N Broad St. As soon as the bus makes that turn it is going away from the monastery. You should walk on N Broad St in the opposite direction of the bus. (You will need to cross both streets at the corner.) The monastery is 851 North Broad St, before the end of the block on your right. As you walk past a mansion, you will see a driveway and just beyond it a wall with 2 large statues. Walk down that driveway under the archway of the building and enter on the left.

The 59 bus from Newark stops across the street from the monastery. Ask the driver for the "Benedictine Academy" stop.

NJ Transit Train: (From NYC -Bus from Port Authority is easier on weekends)

The train leaves from Penn Station, NY, and also stops at Newark. There are two stations in Elizabeth. The North Elizabeth station is close to the monastery, but stops are rare except for commuter hours. The Elizabeth station is about a mile away. Just off Broad St. I don't know how easy it is to get a cab or bus.

Cab: 851 North Broad St, Benedictine Sisters, across from Benedictine Academy.

Bus heading to your left as you approach N Broad. Take to intersection with North Ave. (Most buses turn there) walk on N Broad in the direction the bus was going. Monastery is on your right before the end of the next block. Enter as above.

If you are a walker go left on Broad St. (North) There are several forks off Broad/ N Broad. Watch signs carefully. When you get to North Ave, cross over, and monastery will be before the end of the block on right. Enter as above.
